

DR ANGELINA ZUBAC for **KOOYONG**

Your alternative for responsible government and constructive debate, focussed on achieving positive change and outcomes.

Social and Economic National and Local Priority Areas:

- ❖ Seven point national policy agenda based on the principle everyone matters (see www.vote4drangelina.com).
- ❖ Planning to pursue a three point local agenda for the people of Kooyong for the first 12 months:
 - ❖ Young people's futures
 - ❖ Help small business to innovate
 - ❖ Peace of mind in retirement

1

Vote for positive change, vote Dr Angelina - Your independent candidate

Dr Angelina Zubac is committed to building a more prosperous Australia. She believes in supporting people who value family, community, reward for hard work, risk-taking and entrepreneurship, education, social cohesion and environmental diversity.

SEVEN POINT NATIONAL AGENDA

1. Productive & innovative workforce
2. Globally competitive businesses
3. Science & technology education
4. Preventative & accessible healthcare
5. Peace of mind at every age
6. Fiscal responsibility
7. Infrastructure for the next 50 years

FUTURE VISION

- ❖ Equality of opportunity and justice for all.
- ❖ Australia is a leader in international human rights.
- ❖ Australia becomes more innovative and entrepreneurial.
- ❖ Long-term investment in Australia's infrastructure, including its public transport and digital networks.
- ❖ Investment in renewable energy stimulates the economy.
- ❖ Australia's coal-based industry is responsibly devolved.
- ❖ Internationally competitive and digitally transformed Australian schools, and research and teaching universities.
- ❖ Australians who want to buy a home can buy a home.

A LOCAL RESIDENT

Angelina is a 51 year old resident of Kooyong who has lived in Kew for the last 18 years.

EXTENSIVE EXPERIENCE IN INDUSTRY

For more than 30 years Dr Angelina Zubac has worked and consulted at over 100 organisations, including large corporates, small firms, non-profit and government organisations.

EXCELLENT WORK & ACADEMIC CREDENTIALS

Angelina is well qualified to develop and evaluate policy. She has a doctorate in Business, Commerce and Arts degrees, and a Graduate Diploma in Statistics. She is published internationally and is an acknowledged expert in strategic management, organisational economics and resource-capability investment processes at firms.

A GIFTED EDUCATOR

Angelina has been teaching at university level part-time for the last 17 years and believes in the benefits of life-long learning and developing young people to achieve their full potential.
